Lifetime Email Support

For simple non urgent issues that can be resolved over email.

Video Tutorial Library

Learn about how to use your new ID card printer and how to look after it.

Telephone Support

Speak directly to an expert and be talked through the solution to your issue.

Remote Installation

With Plus support we can log onto your PC remotely and setup the printer for you.

Priority Telephone Support

Jump to the front of the queue and enjoy priority support. You'll be given access to the priority support line and email.

Zero Labour Costs

Often customers decide to upgrade their printer (Example: Dual side printing, Ethernet or MIFARE® encoder) and the average labour charge is £80. With TrueSupport PLUS you will pay no labour charges.

Annual Printer Service

Prolong the life of your printer with an annual service. Once a year, send in your printer to have it thoroughly checked, cleaned and serviced by our qualified printer technicians.

EasyBadge Software Support

We're here to support you with all versions of EasyBadge card design software from complicated database setup to advise on what design elements print best on plastic cards.
